MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, would like to encourage all eligible residents to be vaccinated. Everyone 12 years of age and older is eligible for a vaccine in Texas.

Hospitals, physicians' offices, and pharmacies have vaccines available. You can find a list of providers and additional information on the DSHS website here: https://www.dshs.state.tx.us/coronavirus/immunize/vaccine-hubs.aspx.

If you have questions about COVID-19 or vaccines, please call the COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am – 4:30pm and Friday from 8:00am – 4:00pm.

Since our June 2nd report, we can confirm 5 additional deaths related to COVID-19.

- A man in his 90s, from Kingwood, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19.
- A woman in her 80s, from Spring, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19.
- A woman in her 60s, from Kingwood, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19.
- A man in his 60s, from Porter, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19.
- A man in his 40s, from Conroe, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19.

We can also confirm:

- TOTAL cases of COVID-19 increased by 364 to 54,966 since last Wednesday's (6/2) report.

- ACTIVE cases of COVID-19 decreased by 80 to 900 since last Wednesday's (6/2) report. Today, we accounted for 237 additional inactive cases who we have been unable to contact for 30 days or more.

- 71 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.

- 29,226 people have clinically recovered.

The Testing Positivity Rate for Montgomery County is 5% for the 3rd consecutive week.

Montgomery County COVID-19 Positive Cases

Beginning June 2nd, data will be posted
every Wednesday only. This graph
represents Wednesdays only from March
2020 onward.

The SETRAC data for "Patients hospitalized in Montgomery County" was unavailable at the time of this release. The infographic will be placed on the Montgomery County Public Health District's Facebook page @mctxpublichealth as soon as the data is available.

SETRAC data for regional hospitalizations can be found here: https://bit.ly/3jwhdiV.

The COVID-19 dashboard for Montgomery County can be found here: https://coronavirus-response-moco.hub.arcgis.com/.

Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated.
If you are not fully vaccinated:

- *Avoid groups of people.*
- *Practice social distancing.*
- *Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.*
- *Wash your hands or use hand sanitizer frequently.*
- *Disinfect surfaces in your car and around your home*
