

JANUARY

2019

HAPPY

NEW YEAR

The Year Ahead

With the start of the New Year, our MRC unit has many things to look forward to. This includes new trainings, new leadership opportunities, and much more! For the year, we have set three primary goals to achieve.

- Gain a net of 50 new volunteers
- Increase social media presence by 10%
- Build two new community partnerships

Do you have any ideas for the direction our unit should go? If so, please send me an email at egordon@mchd-tx.org.

What's Your Status?

To kick off 2019, we will be going through our volunteer list and updating the information that we have on file for you. Every volunteer will receive contact stating what your current volunteer status is, your listed occupation, your summary of annual hours from 2018, if you have any missing documents or need to update your TDVR profile. Each volunteer will try to be reached no more than 3 times. We will send out letters, emails, and make phone calls to ensure that our volunteer list is as up to date as possible. We appreciate your cooperation and patience during this process.
