Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:

- Get tested if you feel sick.
- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
