MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can confirm Montgomery County vaccination rates are up by 10% in the past two months. Thank you to all our residents who are doing your part to keep yourself, your loved ones and our community safer.

Have you been vaccinated for COVID-19? We strongly recommend it. Even if you contract COVID-19 after vaccination, the chances of severe illness, hospitalization and death are low. 57 percent of eligible Montgomery County residents are now fully vaccinated. Need to find a vaccine? Click here for additional vaccine sites: https://www.vaccines.gov/.

Fully Vaccinated: 285,286
Total Population 12+: 503,062

Have a question about COVID-19? You can reach the Montgomery County COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am-4:30pm and Friday 8:00am-4:00pm.

Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:

- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
