MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can sadly confirm another all-time high in the number of active cases of COVID-19 in Montgomery County.

Have you been vaccinated for COVID-19? We strongly recommend it. Even if you contract COVID-19 after vaccination, the chances of severe illness, hospitalization and death are low. Just 54 percent of eligible Montgomery County residents are vaccinated. Need to find a vaccine? Click here for additional vaccine sites: https://www.vaccines.gov/.
Today, we can also confirm one additional death related to COVID-19.

- A man in his 70s, from Montgomery, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19. He was not vaccinated.

We can also confirm:

- TOTAL cases of COVID-19 increased by 2,903 to 78,534 since Friday’s (9/3) report.
  - Of the 2,903 new cases, 569 are under the age of 12 and not eligible for vaccination.
ACTIVE cases of COVID-19 increased by 1,382 to 13,756 since Friday’s (9/3) report. This is another all-time high.

- Today, we accounted for 1,397 additional inactive cases who we have been unable to contact for 30 days or more.

- 330 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.

- 32,079 people have clinically recovered.

The Testing Positivity Rate for Montgomery County has decreased to 20%, down from 21% last Friday (9/3).

Have a question about COVID-19? You can reach the Montgomery County COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am-4:30pm and Friday 8:00am-4:00pm.

*Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:*

- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
