TBA – How to Respond to an Active Shooter

## Highlights of the Month

On May 19, 4 volunteers attended the emergency preparedness fair in the Home Depot parking lot off of 1488. Volunteers passed out preparedness brochures, emergency document bags, and hand sanitizers to the public. Overall, the fair was a huge success. Thank you to all volunteers who assembled items for the fair and donated their time to be at the fair.

Happy Graduation! Congratulations to all of our May graduates. This month we celebrate all the students who contributed a portion of their time to the MRC while they were finishing their education. The MRC is happy to have you as a volunteer and wishes you all the best in your future endeavors.

## Volunteer Spotlight

Kassie Allen has been an active volunteer since 2017. She is a wife, mother, and nurse. She loves calling Montgomery County her home while actively serving its community. She is also a proud member of MCHDVMC, and is working on obtaining her Texas Master Naturalist Certification. While serving in the MRC, she has responded to Hurricane Harvey, community events, and has attended quarterly meetings. She is a very engaged volunteer with a lot of passion for serving those around her. Thank you, Kassie, for all your dedication and service.

## Are you Ready?

Hurricane season is approaching. Do you have these items in your emergency preparedness kit?

- 7 day supply of non-perishable food
- 1 gallon of drinking water per person per day
- First aid kit
- Personal hygiene items
- Duct tape
- Flashlight
- Battery Powered Radio
- Pet supplies for 7 days
- State and regional road maps
- Batteries
- Extra cell phone battery
