MONTGOMERY COUNTY COVID-19 UPDATE

Lone Star Family Health Center, individual hospitals, physicians’ offices, and pharmacies also have vaccines available to eligible populations. Please check their websites and Facebook pages for additional information. You can find a list of providers and additional information on the DSHS website here: https://www.dshs.state.tx.us/coronavirus/immunize/vaccine-hubs.aspx.

Today, we can confirm:

- TOTAL cases of COVID-19 increased by 307 to 47,478 since Friday’s (3/12) report. All 307 cases were tested since 3/4/2021.

- ACTIVE cases of COVID-19 increased by 200 to 2,304 since Friday’s (3/12) report.

- 97 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.

- 24,353 people have clinically recovered.

The Testing Positivity Rate for Montgomery County is 12%, down from 14%. This number is updated weekly on Wednesdays.

*These numbers include PCR and rapid antigen testing. We do not include antibody testing.
SETRAC data for regional hospitalizations was last updated 3/15/2021. Updates can be found here: https://bit.ly/3jwhdiV.

*Do your part to slow the spread of COVID-19.*

- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Teach children proper hygiene and the correct way to wear a mask.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
- As supply and eligibility increases, get vaccinated.
