MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, can confirm our 16th death related to COVID-19. A woman in her 100s died at Park Manor of Conroe, a long-term care facility. We offer our condolences to her family at this difficult time.

We can also confirm the number of ACTIVE cases of COVID-19 has increased to 429 today. That number includes 54 hospitalizations. 254 people have fully recovered! The number of total positive cases has increased 10 since yesterday to 699.

A mobile testing clinic will be in our area this Sunday, May 10th. The tests are by appointment only. See the attached flyer for more details.

Details on individual cases can be found here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>.

Montgomery County Office of Emergency Management updates a dashboard for the cases here: <https://coronavirus-response-moco.hub.arcgis.com/>.

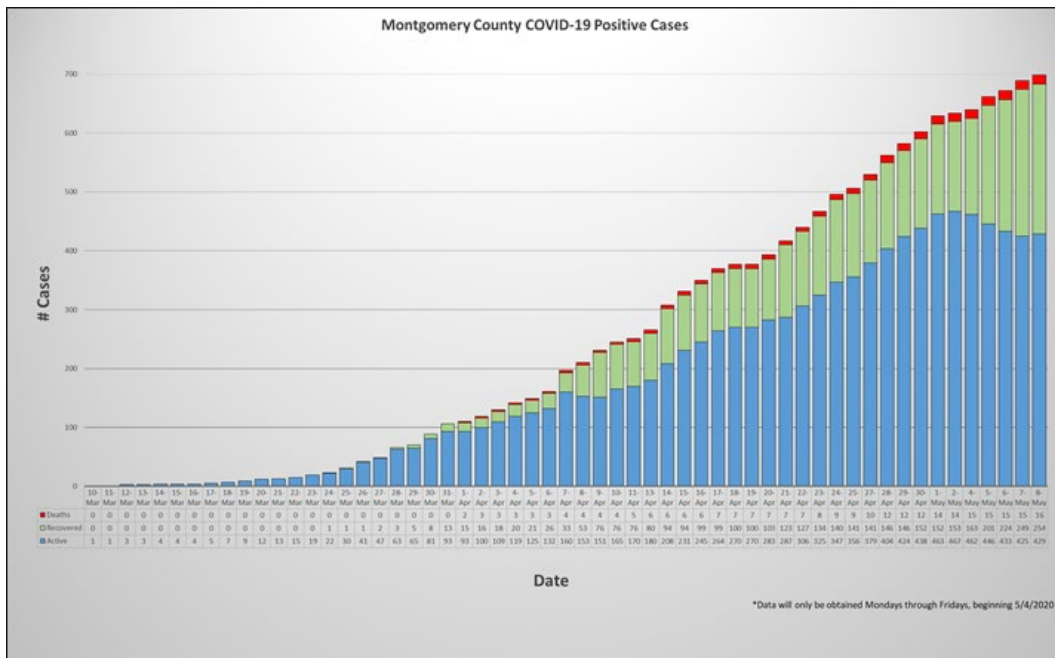

Public Health
Prevent. Promote. Protect.
