### **MONTGOMERY COUNTY COVID-19 UPDATE**

MONTGOMERY COUNTY – In an effort to address a lot of the questions we are getting about the change in reporting, we have added information to the Frequently Asked Questions portion of our website. If you have a question regarding the change or calculations of the numbers, please go to <https://mcphd-tx.org/> and scroll down to the FAQs. This should help clear up any confusion.

Today, we can regrettably confirm an additional death related to COVID-19, bringing the total number of deaths to 46. A man in his 60s, from Magnolia, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19. We offer our condolences to his family.

We can also confirm the total number of COVID-19 cases increased by 177 to 4,501 cases in Montgomery County. ACTIVE cases of COVID-19 decreased to 2,088. Of the 2,088 active cases who are Montgomery County residents, 58 are known to be in the hospital, as a result of contact investigations. Contact investigations have not been initiated on all reported cases. 2,262 people have clinically recovered.

Please note, the calculation for active cases has been updated to no longer include cases we have been unable to contact for more than 30 days. For example, if someone tested positive in April, but we have been unsuccessful in our attempts to contact them, their case would no longer be considered “active.”

## PATIENTS HOSPITALIZED IN MONTGOMERY COUNTY

Updated July 16  
at 2pm:  
Numbers reflect  
county and non-county  
residents.

\*Data represented in this graph is provided by SETRAC, as reported by hospitals in Montgomery County, Texas only. Only confirmed COVID-19 patients are included, regardless of residence.

For more info: [setrac.org](http://setrac.org).

You can find more information on the SETRAC website, [setrac.org](http://setrac.org).

It's more important than ever to take steps to slow the spread of COVID-19. Consider staying home unless it is necessary to leave your home. Avoid groups of people. Wear a mask (if it is necessary to be in public), wash your hands or use hand sanitizer frequently, disinfect surfaces in your car and around your home, and practice social distancing.

You can view the list of case-by-case updates on the MCPHD website here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>. You can refer to the dashboard here: <https://coronavirus-response-moco.hub.arcgis.com/>.

Just a reminder, online registration is now available for COVID-19 testing through the MCPHD/MCHD voucher program. Click on "Need to be tested?" on [mchd-tx.org](http://mchd-tx.org) or [mcphd-tx.org](http://mcphd-tx.org) and follow the instructions. Call the COVID-19 Call Center at 936-523-5040, Monday-Friday 8:00am-3:30pm, for more information.

**Montgomery County Public Health District's** mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness.
