MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, is saddened to confirm three additional deaths related to COVID-19 in Montgomery County. A woman in her 60s, another woman in her 60s and a woman in her 70s, all from Conroe, died while hospitalized. All had co-morbidities in addition to testing positive for COVID-19. We offer our condolences to their families at this difficult time.

- TOTAL cases of COVID-19 increased by 346 to 5,067.
- ACTIVE cases of COVID-19 increased by 216 to 2,409.
- 52 residents are known to be in the hospital, as a result of contact investigations. Contact investigations have not been initiated on all reported cases.
- 2,504 people have clinically recovered.

*Changes reflected since Friday.

It’s more important than ever to take steps to slow the spread of COVID-19.

- Consider staying home unless it is necessary to leave your home.
- Avoid groups of people.
- Practice social distancing.
- Wear a mask (if it is necessary to leave your home).
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.

For any questions regarding the calculations of the numbers on the graphics below, please go to https://mcphd-tx.org/ and scroll down to the FAQs.
As of 7/15/2020, this graph is based on dates that positive tests were reported to MCPHD – not to the public. This ensures the data is a true reflection of when the cases were positive and accrued. As of 7/16/2020, we make cases inactive who our staff has been unable to contact for more than 30 days.
You can find more information on the SETRAC website, [setrac.org](http://setrac.org).

Just a reminder, online registration is now available for COVID-19 testing through the MCPHD/MCHD voucher program. Click on “Need to be tested?” on mchd-tx.org or mcphd-tx.org and follow the instructions. Call the COVID-19 Call Center at 936-523-5040, Monday-Friday 8:00am-3:30pm, for more information.

**Montgomery County Public Health District’s** mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness.
