Take steps to slow the spread of COVID-19 in our community.

- If your children have started in-person school, teach them proper hygiene and the correct way to wear a mask. Encourage them to never share masks with others.
- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public or with others outside your household.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
