MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can confirm the following update related to COVID-19.

- TOTAL cases of COVID-19 increased by 218 to 18,648 since yesterday’s (12/2) report. Of the 218 new cases, 135 were tested on or after 11/20/2020.

- ACTIVE cases of COVID-19 increased by 156 to 3,807 since yesterday’s (12/2) report.

- 32 residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.

- 11,238 people have clinically recovered.

The Testing Positivity Rate for Montgomery County is 11.6%. This number is updated weekly on Wednesdays. You can find more information here: https://sph.uth.edu/dept/bads/covid19-dashboard.

*These numbers include PCR and rapid antigen testing. We do not include antibody testing. Have questions? Please go to https://mcphd-tx.org/ and scroll down to the FAQs.
You can find more information on the SETRAC website, setrac.org.

Do you have questions regarding COVID-19 or COVID-19 testing? The Montgomery County COVID-19 Call Center’s number is 936-523-3916. It is open Monday-Friday from 8:00am – 4:30pm.

Follow CDC guidelines to slow the spread of COVID-19 in our community.

✓ If your children have started in-person school, teach them proper hygiene and the correct way to wear a mask. Encourage them to never share masks with others.
✓ Avoid groups of people.
✓ Practice social distancing.
✓ Wear a mask in public or with others outside your household.
✓ Wash your hands or use hand sanitizer frequently.
✓ Disinfect surfaces in your car and around your home.
