

Save a Life...

**Texas A&M Opioid Overdose Education and
Naloxone Training
Please join us!
TAMU Opioid Task Force**

Learn valuable information to improve your response to an opioid overdose:

- Learn about the Illicit Fentanyl threat and how it is contributing to overdoses and drug poisonings.
- Learn how to recognize an opioid overdose, who is at risk and how to respond.
- Learn how to administer nasal naloxone to reverse an opioid overdose.
- Ask questions about nasal naloxone and opioid use disorder.
