MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, is continuing to ask residents to closely adhere to CDC guidelines as Montgomery County, and the rest of the nation, experiences record high COVID-19 active cases. It makes a difference when we all follow these guidelines to help reduce the spread of this deadly illness:

- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Teach children proper hygiene and the correct way to wear a mask.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.

Click here for the latest CDC guidelines: <https://www.cdc.gov/coronavirus/2019-ncov/index.html>.

Today, we can sadly confirm an additional death related to COVID-19. A man in his 60s, from New Caney, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19.

We can also confirm:

- TOTAL cases of COVID-19 increased by 2,013 to 26,379 since Wednesday's (12/23) report. Of the 2,013 new cases, 1,864 were tested since 12/17/2020.
- ACTIVE cases of COVID-19 increased by 963 to 7,771 since last Wednesday's (12/23) report.
- 48 residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.

- 13,855 people have clinically recovered.

The Testing Positivity Rate for Montgomery County is 14%. This number is updated weekly on Wednesdays.
