If you are experiencing issues with any of the following please contact Montgomery County's Environmental Health Services. Intake forms may be found on their website by following the provided link below.

http://www.mctx.org/departments_d-k/departments_e/environmental_health/complaints.html

Environmental Health Services may receive complaints on the following:

Food borne illness

Septic- Discharge raw sewage onto the surface. Installing or performing work on any type of septic system without proper county permits. Building – New construction or moving any structure onto property without proper county permits.

Garbage – Excessive household garbage not being properly disposed of in a timely manner.

Dumping – Creating or contributing to an illegal dump site.

Nuisance – Abandoned, dilapidated structures, structures, storing or accumulating refuse on property, (i.e. – tires, junk cars, old appliances, etc.), likely to harbor disease carrying vermin, insects, mosquitoes, high weeds and grass.

Restaurant- Any concerns regarding establishments that provide food to the public.

Other- Burning household trash on top of the ground.

Montgomery County Commissioners

To speak to someone regarding mosquitoes abatement please contact your designated county commissioner's office. Additional information can be found by following the link, <http://mctx.org/dept/-commissioners/index.html>
